

NEW HOME OF IMMANUEL LUTHERAN Church, LaPorte Rd., Mokena, is to be dedicated Sunday. This view also shows the educational wing. That bell at the side has been calling worshippers to service since 1877. At the left is the pastor, the Rev. Dr. A.J. Bueltmann who was found at the church by the photographer. The pastor was busy putting in some last minute touches prior to the dedication ceremonies Sunday. There are to be four services, 8 and 10:30 a.m., 3 and 7:30 p.m. There will be visiting choirs and visiting clergy, including officials of the Missouri Synod. Immanuel congregation was organized 116 years ago, Nov. 4, 1850. This will be the fourth church that the congregation has built since it was formed. The public is invited to Sunday's ceremonies. Park Board Offers \$1,500 For Church

The Mokena Park district would like to buy the old Immanuel Lutheran Church for a headquarters and recreation center and had made an offer of \$1,500.

The minutes of the park board meeting lists a condition with the offer, however, that for this money the church is to furnish the park district with a Chicago Title and Trust Company owners guarantee policy. And if they can furnish a good title to the land and buildings the park district will pay an additional purchase price equal to the cost of the title insurance but if the church can't furnish a good title it is to bear all the cost.

That is what the minutes say but it is pointed out with those familiar with the situation that the church cannot furnish any title to the land for the simple reason that it doesn't own it. All the church owns is the building.

The land was set aside by Denny, when he laid out Mokena, for park and church purposes. The Methodists and Lutherans had churches on the property but do not possess the land. A number of years ago St. John's Church attempted to acquire a piece of the tract but was unable to do so. At the time it was held that the village board could not dispose of any of the land.

The park board reacted favorably to the request of Walter Buske that the Little League be allowed to sell refreshments at Community Park during the baseball season and that the board erect a stand for this purpose. A small stand, 8 by 10 feet is to be built.

Carol Lauffer has been hired to supervise playground activities at the park this summer for \$400 and Sarah Sipple will be the alternate.

Mokena VFW Invites Groups To Join Parade

William Martin Post, VFW, will again have charge of the Memorial Day parade at Mokena.

E. D. Friant, who will be in charge of the affair, is asking any groups or organizations that would like to be a part of the parade to communicate with him.

Memorial Day will be on Monday this year. There will be squads of veterans to fire salutes in the cemeteries in honor of the service people buried at Mokena.

December In May Yet; Snow, Frost

Monday, May 9, was different than most May days—even here in Northern Illinois. It snowed.

It has snowed here before in May much heavier than it did Monday but snow in May is uncommon. On the other hand frost is not at all unusual. Records show there are killing frosts here in May, some of them coming after the 15th.

It was around freezing here Monday morning and Tuesday morning.

Lions Of Frankfort To Have Silver Anniversary

The Frankfort Lions Club will celebrate the 25th anniversary of its founding Tuesday night, May 17.

The members will meet at Gleneagles Country Club 123d St. and Bell Rd., Lemont, at 6 o'clock for a social hour preceding dinner at 7:00.

The speaker will be Claude M. DeVorss, Wichita, Kan., immediate past president of Lions International. He is to be introduced by Frankfort Police Chief Ted Massey, international counsellor and former district governor.

District Governor James Davis of Morris, Ill., will attend and conduct the awards ceremony.

Deputy District Governor Grant Geuther will serve as master-of-ceremonies.

Stanley Warning, president of the Frankfort club, is in charge of arrangements and promises a gala evening. He is assisted by the following committee chairmen: James Walker, tickets and reservations; Chief

TRANSFORM PARKING lot at Lincoln-Way high school into range for student auto drivers with all the obstacles but traffic. (L-W photo)

Set Up Driving Course At Lincoln-Way High

The students of Lincoln-Way High School are participating in a unique driver education program according to Ronald Stopka, director of the program. The school parking lot has been transformed into an auto driving range complete with stop signs, parking slots, and steering obstacles.

Three cars, equipped with speed governors, are used simultaneously on the range throughout the day. Student leaders, under the direction of the driver education

teachers, ride with each beginner checking his pre-driving, driving, and post-driving operations. The qualifications for student leaders are a drivers license, good academic standing, no traffic violations, and attendance in special classes.

Each student spends approximately two to four hours on the range which is equivalent to one to two hours of the six hour requirement in behind-the-wheel instruction. Consequently,

each beginning driver spends from eight to ten hours of driving the car before completing the practical phase of driver education.

The operations that are practiced by the beginning driver include starting the car, stopping, steering and control, parallel parking, diagonal parking, backing, and merging traffic. As pupils master the successive steps, they progress to more complex skills requiring higher degrees of proficiency.

From time to time the instructor will ride with the individual student to check on driving practices.

As the students move about the course, they devote extra time to practicing those exercises which prove most difficult. After the second hour on the range, pupils operate the car alone from time to time.

N.Lenox Methodists Buy Camp Meeting Grounds

Purchase of the 21 x 25 acres of what was formerly known as the Camp Meeting Grounds at the west edge of New Lenox along U.S. 30 has been consummated by the New Lenox Methodist church for \$50,000.

In anticipation of a large population increase in the next decade, the Methodists plan to relocate the church in this century old virgin timberland, long known for its native beauty.

The Rev. Glenn E. Ames, pastor, initiated the plan for the church to purchase the grounds from the Rock River Conference of the Methodist Church shortly after his arrival in 1963. The church members readily saw the merits of such a plan and supported their pastor in the project.

The church trustees, John Francis, Harry Geyer, Robert Grisham, Donald Mangum, Joseph Neese, Orville Phillips, Kenneth Schofield, Raymond Sweet and Attorney James Wirth have completed the purchase. They have plans for clearing the grounds of debris left after the removal of about 20 buildings and considerable shrub growth. It will be at least a year before the grounds are usable, it was said. No definite plans for public use have been made as yet.

The tract was originally known as The Centenary Camp Meeting Association Camp Grounds. There was a time when the Rock Island Lines ran special trains out of Chicago bringing groups to the camp meetings. Many nationally known speakers and musicians went there to participate in the activities.

Many persons also made the journey by horse and buggy or wagon and later by automobile. Some brought tents and camped there.

The premises were divided

into lots which were leased to families and individuals. Some of these leases ran for 99 years so considerable work has been done over the years in clearing up such matters for a transfer of title.

When the old - time camp meetings became passe the property was used for youth camps until 1960.

The Rev. Mr. Ames said that in 1961 the Centenary Camp Meeting Association was in the process of transferring title of the property to the Rock River Conference and now the Conference has deeded the property to the New Lenox Methodist Church.

The Rev. Mr. Ames said that he hoped to see the time when the grounds also could be used for community family gatherings, picnics and perhaps have a community house and youth center, since there is no park area closer than Joliet. The development of this property would make it a bright spot in the community for everyone, he added.

He also said he hoped that the land along U.S. 30 would not be diverted for commercial purposes "and thus ruin this historic site for community betterment and beauty."

"There is little doubt that anything lives or grows on this grounds that was not either planted by squirrels or birds," the pastor went on. "It certainly has been nurtured by God -- for what? It seems possible that the poet Wordsworth has a relevant thought for us at this

junction:

"The world is too much with us: late and soon, Getting and spending, we lay waste our powers; Little we see in Nature that is ours; We have given our hearts away, a sordid boon! This sea that bares her bosom to the moon;

"The winds that will be howling at all hours, And are up-gathered now like sleeping flowers; For this, for everything we are out of tune; It moves us not. -- Great God! I'd rather be A Pagan suckled in a creed outworn; So might I, standing on this pleasant lea, Have glimpses that would make me less forlorn; Have sight of Proteus rising from the sea, Or hear old Triton blow his wreathed horn."

Mrs. Laura Moses, 81, Former Teacher, Dies

Funeral services were held last Monday, May 2 from the Lacore, Nickels and Lane Funeral Home, Chicago for the mother of a Mokena man.

Mrs. Laura Moses, 81 years old, mother of Guy Moses of 11127 Bryant Road, Mokena, with whom she had made her home for the past five months, died there April 29.

In her earlier years Mrs. Moses taught in the public schools at Alsip and served as a tour guide at the Museum of Science and Industry, Chicago. She was also a member of the Eastern Star Chapter of Villa Grove for the past 50 years.

She was preceded in death by her husband Guy. Besides Guy she is survived by another son, Frank, of Chicago; a brother Gifford Dring of Jasonville, Ind.; a sister Mrs. Hazel Brown of Morton Grove and five grandchildren.

Interment was in Chicago.

Zoning Hearing By County Set

The Cook County Zoning Board of Appeals will conduct a hearing in the Orland Park village hall at 6 p.m. May 23, on a proposal to change the classification on an acre of ground to permit erection of an animal clinic there.

The site is on Wolf Rd., 1,139 feet north of 159th st. The applicant is Leonard B. Walberg and the land owner is Dr. Raymond J. Morandi. The change sought is from an R-3, single family residential, to B-5, general commercial.

THERE WAS soup and she had a fork. When prizes were given out at the annual dinner meeting of the Mokena Chamber of Commerce at Willowbrook, a mink stole hovered for a moment over Mrs. August Santoro, wife of the village attorney of Frankfort, and then went on to settle on the shoulders of another guest. But Mrs. Santoro didn't go home empty handed. She is shown here receiving her prize from Frank Onorato, president of the Mokena Chamber. The prize -- 30 pounds of baloney, and no matter how you slice it that is a lot of baloney. (Behnke photo)

MRS. ARTHUR FLECK, Joliet, was the recipient of the mink stole given away at the Mokena Chamber of Commerce dinner at Willowbrook. Others in the picture beginning at the left, are, State's Attorney George E. Sangmeister, Mr. Fleck, Frank Onorato, president of the Chamber of Commerce, and Charles Swanberg, master of ceremonies at the dinner. Approximately 200 persons attended the dinner, including representatives from Frankfort, New Lenox and Orland Park. (Behnke photo)

Mokena Mayor Sets Up New Committees

New committee chairmen have been appointed by Mokena's mayor, Eric G. Book. The rotating of committees, he said, would give the trustees experience in all phases of village government.

The police committee is made up of Roy Richardson, chairman, Gary Chase and Hans Mueller. George Bills will head the water and sewer committee, with Marvin Weitendorf and Chase the other members. Weitendorf now becomes chairman of the license and ordinances committee. The other two members are Clarence Zugenbuehler and Richardson. Zugenbuehler becomes chairman of the streets and alley committee with Muehler and Bills the other members. Chase is named chairman of the buildings committee, and with him are Richardson and Zugenbuehler. Mueller was named chairman of public property, claims and finance, with Bills and Weitendorf the other members.

Durward Fant, village treasurer, reported that all houses on Front St., west of Wolf Rd. have made connections with village water lines so only the strike of

road workers is said to be holding up work on the street.

The Mokena Lions have asked the village for help in placing some additional playground equipment in the village park. The Lions also asked village help in replacing club signs taken down by the state highway department because they were located on state property along Wolf Rd.

The village board is waiting for word from the Rock Island Lines relative to the blacktopping of a section of railroad property along Front St. for 350 feet for a parking lot. It was estimated the cost would be some \$3,000 and the village wants the railroad to pick up the tab.

George Helgersen asked the village to pay him the balance due of what he spent putting water mains along Wolf Rd. to service his apartment building. The cost was \$1,525. The village has paid him \$785 and he now asks for \$740. The board asked Village Clerk Alvin Sorensen to check the minutes to determine exactly what the agreement called for.

Gets Books From State

The Mokena Village Library, operated by the Mokena Book Club, announces that it has received a notice of renewal of State Library Books until July 1. Since the state collection of 400 books is the major source of new volumes for the library, this is good news for Mokena area readers.

Several new volumes have been added to the library's permanent collection, including the controversial "In Cold Blood", by Truman Capote. Other books include works on China and Russia and the latest Life "Great Ages of Man," "The Ape Enlightenment".

The library also received information from State Librarian Paul Powell on a free reading program for adult education. There are over 200 different subjects on which reading courses have been drawn up. This list will be posted in the Mokena Library for the information of interested adults.

The Mokena Library, located just east of the Post Office, is operated by volunteers from the Mokena Book Club. It is open every Wednesday from 3:30 to 5:00 and from 7:30 till 9:00. All area residents are invited to make use of the library facilities. There is no charge except for over-due books.

A CAKE for Former President Harry S. Truman, marking his 82nd birthday, was delivered to him personally at Independence, Mo. last Friday by the maker, Mrs. Candy Henely, Orland Park. Mrs. Henely, wife of Joseph Henely, a member of the Orland Park village board, was formerly a hostess for TWA and for sometime was on the Kansas City flight. She encountered the former President many times and on one occasion -- it was near his birthday -- she remarked that she would have to make him a cake sometime. "You do that," Truman said. So four years ago Mrs. Henely baked a cake and took it out to Independence and delivered it in person. In all now she has made and delivered four of these cakes, elaborate, pulled sugar affairs that must be handled with extreme care. Mr. and Mrs. Henely, who own and operate the Farmer's Daughter and Farmers Inn at Orland Park, flew to Independence carrying the cake in three boxes. Assembled it stands four feet high. The Henelys had luncheon with Mr. and Mrs. Truman at the Truman Library. They reported finding the former president feeling quite chipper.

ROSEMARY SUTZ, Chicago, musician and comedienne, will entertain members of the Orland Park Woman's club at their spring luncheon next Wednesday.

Spring Luncheon For Woman's Club At Kiltys May 18

The Orland Park Woman's Club will hold its 32nd anniversary spring luncheon on Wednesday, May 18 at 12:30 p.m. at Kilty's restaurant, 4545 West 95th st. Oak Lawn.

The luncheon chairmen are; Mrs. Fred Blackstone, Mrs. Earl Fuller, Mrs. Edwin Stutzman and Mrs. Ross Vondersmith. Call Mrs. Fuller at FI 9-3340 for reservations.

Rosemary Sutz of Chicago, a vocal artist, pianist, comedienne and dramatist will entertain the group. She

has appeared on TV and radio.

Guests will be Mrs. Thomas Gillice, first vice - president of the third district, Mrs. Thomas Sacco, first vice - president and Mrs. John Furlong, second vice - president of the Orland Junior Woman's Club.

Mrs. Gillice will install the following officers; Mrs. Stanley Knight, second vice-president; Mrs. Frank Buck, corresponding secretary and Mrs. Harry Pihl, treasurer. These women were re-elected for a two year term.

Seeks Volunteer Aid

Volunteers to check books in or out are needed at the New Lenox Township Library. Increased use of the library requires that Mrs. Irene Peterson, the librarian be free for other duties, it was brought out at the meeting of the library board May 4.

Anyone interested in volunteering for this service is asked to stop at the library and talk to Mrs. Peterson or phone her at 485-6180. Any number of persons could be helpful, it was pointed out, even on a one-day-a-month basis.

Among other items of business were the problems of over-due books, the fine

schedule and the fee for those patrons who live outside the township.

The over-due book problem, especially when some volumes are never returned, caused considerable discussion. The board feels that eventually some legal action will have to be taken. That has been done in Joliet. Details are to be worked out.

Mrs. Peterson was instructed to revise the fine schedule as she finds necessary and the board voted to increase the fee for non-resident patrons to \$3 a year. It is now \$1.25. The \$3 fee would more closely approximate the cost to the taxpayers, it was said.

School Library Finds Favor

As a part of the recent observance of National Library Week a number of pupils of the Mokena Grade Schools penned invitations to the public to make use of the school library which has some 3,000 books on its shelves. This library is open to students daily until 4 o'clock and is available to all Mokena residents on Saturday from 10 a.m. to noon. There are many things to find there. Some suggestions of what to look for are made by students.

From Karla Hartman, 5th grade, Carpenter Street School:

"In a library I meet many, many people. Of course, I have met the librarian but the other people come from the pages of the books on the shelves. Even though I have met people I do not like, still I am very glad I have read the books because I have made so many friends. When you read the books you go on many adventures. You may stay in the United States or visit another country like France or Australia. You may be taken back in time to the cowboy and Indian stage, or even further when cavemen were the thing.

"One of my favorite stories when I was younger was 'The Bobsey Twins,' by Laura Lee Hope, and I was quite shocked when I learned 'she' was a man.

"Reading is great fun once you get the habit. Try it and see."

From Jacquelynne Hurley, 4th grade, Willowcrest School:

"You can find fiction books in the library. Fiction stories aren't true. The authors just make them up. You can also find biographies. They are about people. Some that you can find are George Washington and Abe Lincoln. You may want to get a book on science. If you can't find what you wanted you could ask Mrs. Wellman, the librarian, to get it. You can find books on the moon, fiction, nature and insects.

"Picture books are for the 1st and 2d graders. They have easy words in them. Some of them are 'Hop On Pop,' and 'Little Black, A Pony.'"

"We have magazines and newspapers in our library. We have books for the teachers. We have 'Life' and 'Time.' For the teachers there is 'The Instructor.' We have encyclopedias. There is a set of 'Child Carft' too. There are books of riddles in the library too. Two that are funny are Benet Cerf's 'Book of Riddles,' and 'More Riddles.'"

"You can find books for kindergarten, 1st, 2d and 3d graders. There are books for the whole school."

From Nadine Rust:

"Some books are scary. They are called mysteries. Sometimes when you read

them they scare you out of your wits."

From Debbie Roman:

"You can find out things about a car in a book called, 'Automobiles.' It will tell you what to do when your oil light comes on."

From Kim McManus:

"The favorite story seems to be 'Miss Pickrell Goes to Mars,' in our fourth grade. It's about an old lady who builds a rocket and goes to Mars."

From Kathy Stegman:

"When you walk in our school library it is quiet. In our school library there are more than 100 books. The books are about fiction, biography, true stories, mysteries, travel books and others."

From Lisa Morgan:

"You can find fairy tales such as, 'Grimm's Fair Tales,' It has the 'Golden Goose,' 'Jack and the Beanstalk,' and many others."

From Cathy Guendling:

"In our library there are very interesting books. Some books you want to read over and over again. In our library there are little drawers where all the books are listed on cards in alphabetical order. You can find books about science. You can read about Mars or how a wheel turns and the force it gives. There are books on plants or nature studies as they are called. You learn about what happens when a flower blooms. There are many other books in our library and I hope you read them too."

From Joyce Langland:

"One book I have read and liked is 'Eddie Makes Music.' It is very funny. I like all the comical books about Eddie even though I have read only two. Music books are also found. There is music for little children and older ones too. They have old folk songs that we all have heard of. I have read many different kinds of books but I don't think I could write about them all, I hope if you come you will enjoy them all."

RURAL LIFE SUNDAY

Rural Life Sunday will be observed in St. John's United Church of Christ, 10:45 a.m., during Sunday Morning Worship. Commenting on the observance the Rev. Laslo Hunyady, minister, said, "The farmer and most non-farm rural people have had enough experience to know that the-world-owes-me-a-living type of philosophy of life is not consistent with their being God's stewards and in working with the most basic of all the earth's elements -- the soil." This service is especially prepared to meet some of the needs of people that are agriculturally inclined, and to point up the importance of this area of our American culture and its relationship with the Christian way of life.

St. John's, under the leadership of Mrs. Rudolph Engelhardt, is currently offering a Wednesday-evening series of study sessions, from 8 to 9, on the nature and mission of the United Church of Christ. The series will be concluded on June 1. Everyone is welcome.

Adopt Appropriation Measure For N. Lenox

The New Lenox village board at its regular meeting on Wednesday, May 4, adopted its appropriation ordinance.

The measure provides for expenditures of up to \$167,505 of which \$87,305 is listed under the general fund and \$80,200 in the sewer account.

Of the total sum approximately \$39,000 is to be raised thru real estate and personal property taxes and the balance is slated to come from other sources. A prime source for municipalities these days is the sales tax. Cities and villages get a half-cent out of the four cents per \$1 paid on sales in their limits. In most instances this sales tax amounts to more than is realized from real estate for general purposes.

It was pointed out that because money is appropriated for certain purposes it does not necessarily follow that it will be spent, but there must be an appropriation if the municipality is to spend money for a specific purpose.

The appropriation ordinance appears on another page in this issue where it details may be studied.

Last year the total appropriation for general expenses was \$69,030 and total expenditures came to \$53,220 which left a balance of \$15,810. Total appropriation for sewer purposes was \$69,950 and the total expenditures \$58,422, leaving a balance of \$11,528.

The village is taking legal action to collect sewer bills from nine property owners, including three who have multiple dwellings.

The Rock Island Lines are to be asked to make some improvements to the parking lot at the station. Trustee Wilbur Thackrey is preparing a list of streets to be oiled and chipped. No street work will be done, however, until after the strike is ended.

The board has been approached by the operator of a portable roller rink who

would set it up on village property north of the Rock Island tracks where the ice rink is maintained in the winter. The promoter would pay the village a rental of \$75 a month. The board believes it would provide some recreation for the young people and is agreeable to its operation, providing the owner carries sufficient insurance and will hold the village harmless in the event anyone should suffer injury there.

It was estimated by the board that the village share of the township census recently taken would be some \$500. This will pay off approximately 3 to 1. The village population is now established at 2,367 an increase of 343. The village receives approximately \$5 a head per year as its share of the state motor fuel tax fund so the increase in population will bring in an additional amount of more than \$1,500 a year.

Plan Another PTA Bridge Tournament

The Carl Sandburg Bridge Tournament has been running now for several years. It is sponsored by the PTA to benefit the college scholarship or loan funds, and has been both successful and enjoyable.

One requirement has been that a member of each team have a child attending the school. This requirement has accomplished its purpose of keeping the group constantly changing, but always closely tied to Sandburg and its activities thru the common denominator of student interest.

However, every year certain players become ineligible because of graduation. Several of them, as well as others in the community, have expressed a desire to form a second bridge group.

So -- plans are now being formulated to start a Sandburg PTA Community Bridge Tournament. It, too, will be operated to benefit the scholarship or loan funds, but has no restrictions as to eligibility. The cost will be the same, \$8 per person of which \$5 will go to the scholarship or loan funds

and \$3 for prizes and operating expenses. Play will be on the first Thursday of the month, the same as the school group. Thus when a student graduates the parent can just switch to the Community Group.

The outcome of the proposal depends on the amount of interest shown. Those interested, or know anyone who might be, please notify one of the committee members with your team names before June 1st. This early deadline is necessary because all scheduling must be done during the summer to be ready for play in September. Betty Aeschliman, 448-2728; Gertrude Manning, 448-4015; Lillian Bischoff, 349-0044.

PTG Installs New Officers Tonight

MRS. EDWARD HOVI
Telephone: 479-5740

Tonight, Thursday, May 12, the Summit Hill Parent-Teacher Group will hold its annual installation of officers at the meeting at 8 p.m. at the school.

Elected at the April meeting were: president, Mrs. Jean Hayden; vice president, Mrs. Evelyn Jensen; secretary, Richard McCarthy; and treasurer, Mrs. Jewell Terracina.

Tomorrow night, Friday, May 13, the eighth grade will put on a play entitled, "Wildcat Willie in the Doghouse". It will be held in the school gym beginning at 8 p.m. at a charge of 50¢ per person regardless of age.

The First Nighters will hold their twice postponed May meeting Thursday, May 19, at the home of Mrs. Edward Hovi of 9448 West Hickory st., beginning at 8 p.m.

The scouting program will give both mothers and fathers their "days" this Saturday, with the mothers of the Junior Scout Troop 103 being honored by a mother-daughter breakfast at the school Saturday, May 14, starting at 10 a.m. until twelve noon. The girls are getting a one hour headstart to prepare the menu for their moms.

That evening the Cub Scouts will try again to have their father-son weiner roast in the empty lot next to the Cub Scoutmaster's home on Ash ave. at approximately 5:30 p.m.

The boys and their dads are to bring their own weiners and rolls and marshmallows, with the relishes and drinks being furnished.

Have you seen the attractive new welcome signs at the two entrances to Arbury Hills? We have the Civic Association to thank for them, and gas lights are on order for the entrances also through the efforts of the Civic Association.

We have long needed some form of lighting at the two entrances, since it is difficult to find the proper turn-off at night.

The Civic Association is planning a fund raising dance to provide further money for neighborhood improvements. It will be held at the V.F.W. Hall in Mokena on Saturday evening, June 18. It will begin at 8:30 p.m. and continue until 2 a.m. The name of the band will be announced at a future time.

The cost of the tickets will be \$1.50 per person. The tickets will go on sale on a door to door basis possibly this weekend, and you will be given an opportunity to be eligible for special prizes by the ticket salesmen.

The May meeting of the Civic Association will be held at the school on Tuesday, May 24 at 8 p.m. It will be in the nature of a review of what has been done and what is still in the planning stage.

As an added attraction, Al Behnke, local professional photographer, will give a talk on photographic tips for amateur photographers on the importance of composition, lighting and etc. on your photographs. With the vacation season almost upon us, this talk should prove helpful for all us photographic "duffers."

The talent show held on April 30 at the school was a packed house success for both performances. There was three hundred dollars plus profit realized from the day. A large "thank you" to all who helped whether in their attendance, their talent, their cooking prowess or their time and effort.

Need Volunteers To Cope With Disasters

It all started last year on Palm Sunday when 37 tornadoes twisted through the Midwest in just a little more than 24 hours. In the Crystal Lake-Island Lake area alone, six people died, 175 were injured, 129 homes were destroyed and 271 homes were damaged. To prove that "It can happen here" South Cook County also suffered two major tornadoes last year - in the Olympia Fields area and in Tinley Park. Altogether 12 tornadoes were reported in the metropolitan Chicago area last year.

This year our tornado season started with a funnel touching down in Glen Ellyn on April 19. 28 homes were damaged or destroyed. The American Red Cross is most concerned about the possibility of tornadoes. This organization is congressionally responsible to provide immediate assistance, on an emergency basis, to individuals or families in urgent need of food, clothing, shelter or medical care, as a result of disaster, such as fire, explosion, tornado or flood. This important program is carried out through trained local volunteers in each of the 48 communities of South Cook County.

At present, Orland Park and Oak Forest do not have Red Cross Disaster Volunteers, it was reported. Residents interested in this work may attend a Red Cross Disaster Orientation on Tuesday, May 17, at 7:00 p.m. This orientation will be conducted at the South Cook Regional Office of Red Cross, 157 E. 155th, Harvey.

The Red Cross is also planning a special course in mass shelter management. For further information on either of the above programs, call ED 1-1075.

Open Letter from the Hirschs

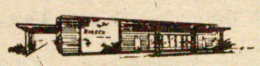

Dear friends,

Skilled preparation of the body of the deceased, done in good taste, can relieve the starkness of death and the ravages of disease and suffering, permitting the bereaved to see a little way past the anguish of death - to see more clearly the utter reality and serene dignity of death.

Respectfully,

Edwin Hirsch

This miniature Lane Keepsake Chest is free...our graduation gift for each girl in the senior class of

Carl Sandburg High School

It's made of fragrant red cedar and comes with lock and key. Which makes it a dandy place for your diary, letters, snapshots, private little things.

For big precious stuff like a trousseau, we have magnificent full-size Lane chests. Let a boy give one to a girl and, 4 times out of 5, they get married in a year.

So see our full-size Lane chests when you come in for your miniature. You'll know what to ask for when your man asks you.

Teens To Display Creative Talent At Sandburg Art Show

DEBBIE WHITTLE

The teen-age generation will bring culture and crafts to the community at the tenth annual Arts Festival at Carl Sandburg High School, May 19, 20, and 22.

Art, home economics, industrial arts, music, and speech departments and the Camera club will be represented. There is no admission charge, and free refreshments will be served every evening.

Displays and demonstrations in the girls' gym will be open 7-10 p.m. Thursday night. A PTA meeting will

begin at 7:15, and a style show in the cafeteria will be from 8:30 to 9:30.

Friday, the displays will be open to Sandburg students during lunch hours. Speech classes will present three one-act plays from 7:30 to 10:30 in a drama contest. There will be a half-hour intermission.

The Arts Festival will not be open Saturday or Sunday, the displays will open at 2 p.m. The band, choir, and orchestra will give a joint concert at 3 o'clock. Displays will close at 5:00.

Frankfort 8th Grade Graduation Is June 5

Graduation exercises for the eighth grade pupils of the Frankfort school system are to be held on a Sunday afternoon, June 5, at 2:30 o'clock, and H. James Wrath, assistant superintendent of Will county schools, will be the speaker, it was announced at the last meeting of the board of education.

The school calendar and transportation schedule for the 1966-67 school year will be acted upon at the next session.

The board granted the request of the Frankfort Lions to use the Frankfort School gymnasium again this year as the scene of the Turtle Derby sponsored by the club.

The resignation of James Bryant, social studies teacher in junior high grades and athletic coach, was accepted by the board. Bryant is to become an instructor at the University of Missouri.

A report was made to the board on participation in the federal education aid plan, Title I, II and III. Title I, which deals with a remedial reading program in an area, is now in operation in the Lincoln - Way high school district. Tentative approval has been received by Frankfort school on its Title II project, which deals with library purchases.

The board granted permission to the PTA to make use of the gym next year for

roller skating.

James P. Walker will serve the Frankfort grade school district, No. 157-C as treasurer for the next two years, beginning July 1. He was appointed by the board. Kenneth Oetter heads the board as president.

The regular meeting of the board is the first Monday night of a month, beginning at 7:30 o'clock, in Frankfort School.

Music Parents Plan Dance To Raise Funds

The Black Friday Dance, sponsored by the Carl Sandburg high school Music Parents Association, as one of their two major fund raising activities, will be held in the Sabre Room, 8920 West 95th st., on Friday, May 13, beginning at 8 p.m.

Music will be furnished by the Carl Sandburg high school dance band.

Tickets are \$2 per person, and may be purchased at the door.

Wood, Elmore Will Address Republicans

The next regular meeting of the Orland Township Regular Republican Organization will be held Wednesday May 18, at 8:00 p.m. in the Orland Park Fire House, 144th and Beacon.

The principal speaker will be Joseph I. Wood, candidate for sheriff of Cook County. Mr. Wood is well known as a former member of the F.B.I. and past chief investigator for The Better Government Association. Also appearing as speaker will be Elbert F. Elmore, candidate for state representative from the 9th District.

The public is invited. Refreshments will be served following the meeting.
